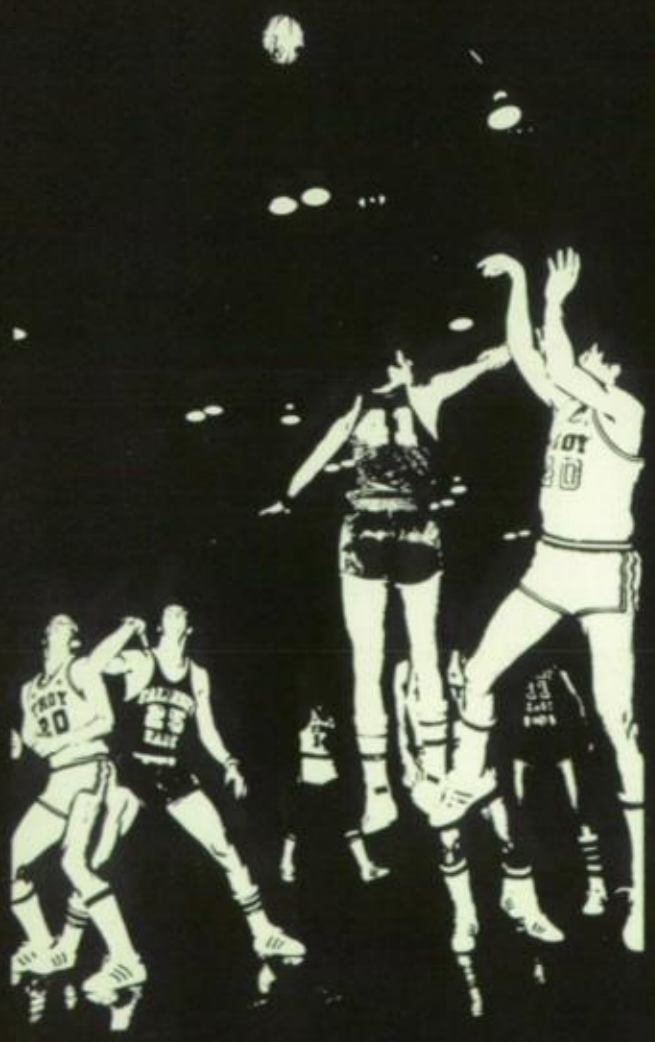
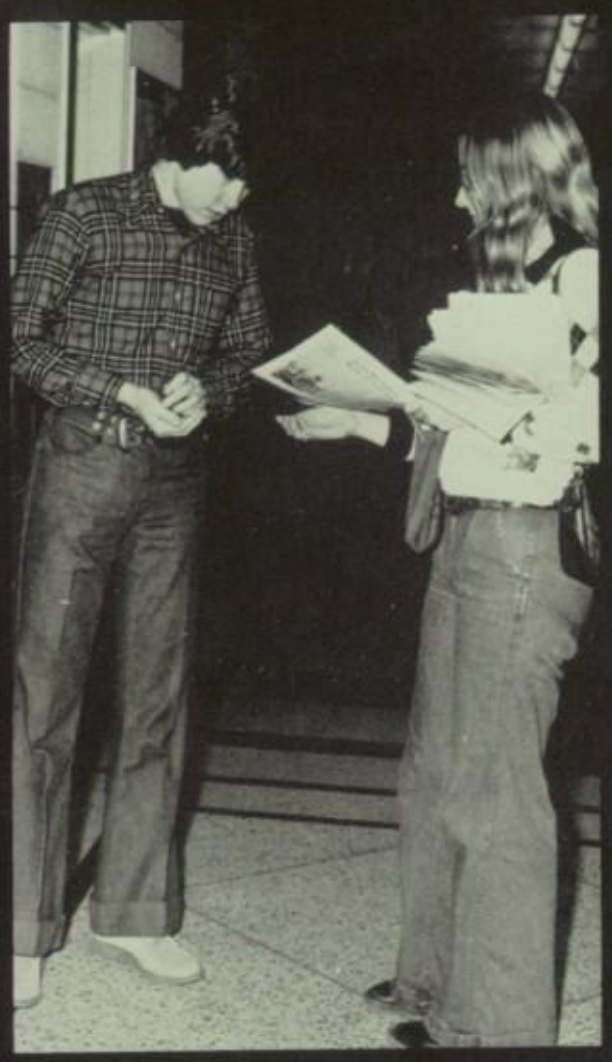
well i left my happy home to see
what i could find out . . .

i left my folk and friends with the aim to clear my mind out. well i hit the rowdy road, and many kinds i met there, many stories told me of the way to get there, ooh...so on and on i go, the seconds tick the time out, there's so much left to know, and i'm on the road to find out. ...

... well in the end i'll know but on the way i wonder through decending snow, and through the frost and thunder, i listen to the wind come howl, telling me i have to hurry. i listen to the robin's song saying not to worry. so on and on i go, the seconds tick the time out, there's so much left to know, and i'm on the road to find out. ...



then i found myself alone, hoping someone would miss me. thinking about my home, and the last woman to kiss me. but some times you have to moan when nothing seems to suit yer, but nevertheless you know you're locked towards the future. there's so much left to know, i'm on the road to find out. then i found my head one day when i wasn't even trying, and here i have to say, 'cause there is no use in lying. yes the answer lies within, so why not take a look now, kick out the devil's sin, and pick up a good book now.



WE'RE SO GREAT THAT NEVER BEFORE HAS BEEN A CLASS LIKE

FOOTBALL

The 1973-74 Trojan football team ended their season with a 6-4 record. The season started with key players injured but because of a group of dedicated athletes and with a healthy team by midseason, won four very impressive wins, three being shut-outs and allowing only one score in the last four games. Troy captains John Mumma and Kevin Blizman were 1st team all-W.O.L. Blizman was also 1st team all-Ohio AP, 2nd team UPI all-Ohio, and Player of the Year for THS. Mumma was Honorable Mention all-Ohio UPI and Troy's Highest Offensive Award winner. Mark Zimmerman, Troy's Highest Defensive Award winner, was 1st team all-Ohio UPI and Troy's best tackler with 114 unassisted. Kevin Grump, Troy's Most Valuable Player award winner for two straight years, received Honorable Mention all-Ohio UPI. Bob Twiss was selected Troy's Most Spirited Player and was 2nd all-W.O.L. Mike Wise was selected Troy's Best Blocker and Denny Neves was selected Troy's Most Improved Player. John Summers received 2nd team all-W.O.L. awards. Coach Blackstone said, "This year's team was a great team with a great group of seniors. The season in all was a very rewarding year and am looking foreward to next year (1974) and Piqua Sept. 6th.

Cross Country

The 1973 Troy Cross Country Team was much better than their record indicates. The Trojans were hampered during the season by the illness of some of their top runners. Still, the team progressed as the season went along.

Team highlights of this year include a strong second place finish in the Treaty City Meet, and capturing the AAA Crown at the Lowell Thomas Meet.

Individual highlights include Mark Shroyer qualifying for the State Meet. Shroyer had the fastest time on the team this year — a 10:00 against Stebbins.

Basketball

The 1973-74 Troy High Basketball Team ended their season with a 7-13 win loss record. After getting off to a great start, the team took a sudden plunge, never to completely regain their luck again. Senior Dave Lindeman led the Trojans in scoring with a 20.6 average. The disappointed Coach Ellis had no remarks about the season. Robert Knight was named most improved player.

The 1973-74 Trojan Wrestling Team ended its season with a 2-4 dual meet season. Although this year was disappointing year for Coach Bennet, the outlook for next year looks excellent with eight lettermen eligible to participate. The most exciting tournament of the year for the Trojans was the Troy Invitational in which Troy placed first.

In state competition, senior Mike McDade participated but lost in the 1st round. He leaves Troy High with a high school record of 90 wins and 20 defeats. Mike has won a championship in every tournament in the area including two-time W.O.L. champion, four-time District Qualifier and State Qualifier his senior year.

At the recognition banquet Mike McDade was awarded most valuable; Mike Hoefler, most improved and most pins; and Tom Younce as outstanding reserve.

This year's quickest pin was in 44 seconds tied by Mike Hargis and Mike McDade.

Gymnastics

1974 was a rebuilding year for Troy High School's boys' gymnastics team. The team had many first year men who were young and inexperienced. Despite the inexperience, the Trojans came through with a fine season finishing with a 7-3 dual meet record, a fifth place finish in the tough WOL championships, and a tenth place ranking in the final state gymnastics poll. Five Trojans qualified for the state gymnastics meet. They were: Tim Thompson, Jay Swob, and Scott Hannah on the trampoline, and Jim Shields and Mark Shepard on the sidehorse. Other team members who did a fine job during the season and who just missed qualifying were: seniors – captain Jim Yardley and Steve Hart, who was the WOL champion on the sidehorse, junior John Morrett, and freshman Mike Lyons.

Baseball

The Troy Baseball Team, playing under the coaching of Robert Fletcher, capped the season with a trip to Cincinnati for the Regional Tournament. Even though Troy lost 6-1 to Cincinnati LaSalle, the season produced Troy's second highest number of victories (20-7) and Troy's 3rd District Championship.

Troy's success this year was a combination of excellent pitching, good hitting, and exceptional baserunning. The pitching was lead by Ken Strominger (8-2, 0.91 ERA), Mark Fish (5-1, 1.42 ERA), Rick Copp (2.0, 1.35), Rob Richardson (1-1, 1.79), and Craig Helmer (2-1, 2.06).

Offensively, Troy was led by Jeff Brown (.441, 7 HR, 22 RBI, 34 Runs), Mark Zimmerman (.400, 12 RBI, 10 Runs) Rob Richardson (.370), Dave Granger (.3510), Mike Trostel(.281, 22 RBI, 27 Runs, 28 BB), Mark Allen (26 Runs), and Bruce Cahill (.288, 4 HR, 20 Runs).

Probably the most impressive statistic Troy had was stolen bases. Troy stole 136 bases out of 143 attempts led by Mark Allen 21 Sb, Jeff Brown 20, Dave Granger 18, and Mike Trostel, Mark Zimmerman and Bruce Cahill each had 17.

Troy's awards were Best Hitter to Jeff Brown, Best Pitcher to Ken Strominger and both of these players were voted as the MVP on the 1974 team.

Troy's Reserve team, coached by Steve Boone, had a 7-4 record this year.

Troy's first ever Freshman team, coached by Steve Coate, had a 203 record.

Track

The 1974 T.H.S. Track Team had a year that was successful in some ways, and disappointing in others. The team was lead by senior Kevin Grump, who participated in four events. Grump set two new T.H.S. records this year – 20.2 seconds in the low hurdles and 14.3 seconds in the high hurdles. Mark Shroyer set a new school record in the 880 yard run, covering the two laps in 1:57.6. The Trojans rallied to take second place in the Sectional, but were not as fortunate at the District, where, for the first time in six years, no Trojans advanced to the State Meet.

Tennis

Despite the handicap of youth and inexperience, Troy High's tennis team had one of its best seasons ever, finishing with an overall record of 13-2. The Trojans were also 3rd in the W.O.L. with a 7-2 record. Rob Harrelson and Rob Buchan were runners-up in the Sectional, and advanced to the District as a doubles team.

Golf

Troy High's golf team showing its experience and strength, had a very successful season this year. The Trojans were undefeated until late in the season. Overall, the team ended up with 19 wins against only two defeats and 3 ties. The Trojans finished 2nd in the Sectional, 3rd in the WOL, and 5th in the District. Mike Pittenger and Brad Nimer made the All League team. Pittenger also led the team with a 39.4 average for the year,

Faculty Toast

Seniors, Faculty and Guests . . . .

It is my privilege to have been asked to represent the Troy High School faculty in toasting the graduating class of 1974.

I have watched you young people of the class of '74 in your educational progress since you began the sixth grade, which means that I have been witness to over half of your formal education. As a representative of the faculty, I can say that it has been an educational experience for us to have been a part of your progress.

I have seen many changes along the way . . . I have seen you young people grow, mature and become young adults. In some ways it is difficult for me to think that the years have gone by, and that you have reached this level in your lives . . . and it also makes me feel a great many years older.

We have all aged over the past years (some of us more than others) . . . but you . . . the class of 1974 have helped to keep many of us on the faculty young at heart because of our associations with you and by your youthful exuberance that seems to rub off on us.

I am quite sure that as many more years go by that the class of 1974 will have a very special meaning for me . . . for this is the last Troy High School graduating class that I will be so closely associated with. Each of us than is going on to new ventures, with new hopes, new goals and new dreams.

In quest of these goals, I hope that each of you will take advantage of the education that you have gained during the past twelve years and especially the time spent at Troy High School.

Each and every one of you has developed special abilities that make you a very special person. While some may still be searching for it, all of you have some very particular talent that hopefully has been enhanced at Troy High School. I hope that this talent will not only be of value to you, but to all of those people whom you will come in contact with in your future life.

It is now time to toast you . . .

I would like to toast your future happiness . . . that all of your wishes, goals and dreams are attainable and that you will secure the true happiness of life.

I would like to toast your ability to overcome obstacles that may detain you in your life's quests.

I would like to toast your ability to use the knowledge that your education has provided.

I would like to toast your ability to have faith in yourselves and in your fellow man.

I certainly feel that all of these toasts would be very appropriate at this time . . . but to be very, very honest, I knew from the moment that I was asked to toast the class of 1974 that I would use words that have a very special meaning to me. They are not my own . . . how I wish that I could claim them, as I imagine every person who has ever spoken them has also wished.

And so, Class of 1974, my toast to you is taken from the final phrases of a very old Gaelic blessing . . . and representing the faculty I toast you with these words . . .

May the road rise up to meet you,
May the wind be always at your back,
May the sun shine warm upon your face,
and the rains fall soft upon your fields,
and until we meet again,
May God hold you in the palm of His hand.

— Robert J. Denari

Senior Toast

A toast to the faculty of Troy High School — a faculty that removed the grade school chains from our minds. In grade school teachers were big people that were always right. Their lessons consisted of puzzles already pieced together. The thinking was always done for us. In these past four years, you have taught us differently — you forced *us* to do the thinking. We know it was hard at first. Our minds had come to enjoy their thoughtless cage. There were times when we begged to be small and have facts neatly given to us in order, but you didn't relent. You taught us to form our own opinions, to piece together our own puzzles. All the formulas, theories, lessons, and words you used as examples of thought will be forgotten by tomorrow, or at least pushed to the back of our minds. We may never need to know the speed of light again, but our new found ability to reason will be used every day of our lives. Your faces may fade from our memories. Your jokes may die a silent and sometimes grateful death. But your gift of opening our minds will never be forgotten. We will never be grateful enough. Thank you for showing us we don't need rockets to reach stars. Thank you for introducing us to our minds. It is with much gratitude and fondness that the Class of 1974 toasts the faculty as the greatest emancipators of all time.

Class History

FRESHMAN

It was the fall of '70
we entered our last four years.
With the Seniors giving us their stares,
we began to gain some fears.

We were freshmen
lowest of low.
And the Seniors proved it
blow after blow.

Van Cleve united with St. Pats
to the end that's what we said.
We'd stick together as a class
There was nothing we would dread.

The thought of schoolwork
we tried hard to shun.
But our teachers soon showed us
there was work to be done.

Our freshman basketball team was best
as we played against Greenville.
The score kept rising very high,
and gave those Waves a spill.

We were swept into the fall sports
with a 10-0 season.
Undoubtedly it was our freshman class
that gave them all their reason.

We yelled at pep rallies
thinking we were loud.
But never was a contest won
too many boo's from the crowd.

We had our fun at football games
as our victories grew and grew.
This was the excietment for our class
but what else can freshmen do?

Gym and health with Hildred and John
was something we had to master.
But letting off a little steam
made the day go much faster.

We had earth science with Mr. T.
a guy we had to admire.
If we didn't learn about science
we learned to become a A-1 Flyer.

5th period study hall was quite a blast
they called it the freshman zoo.
Mr. Mustard was head of the place
we crowned him "King Bamboo."

Our first big dance was Homecoming
we all went in new threads.
Only the Seniors and Juniors had nerve to dance
as we walked around with big heads.

Remember all the car washes?
and because we couldn't drive
They said they'd wash tricycles
just so the freshmen could ride.

Freshman year came to a close
it seemed to go so fast.
All of the visions of a scarey year
were soon memories in the past.

SOPHOMORES

With three long months of summer
put far back in our minds.
We started school as the big Sophs
no longer were we treated unkind.

The days became much longer
as the periods went to 7 from 6.
But the days couldn't come and go
without millions of us getting sick.

In studying we found
our enthusiasm wore thin.
As we watched the assignments
keep on piling in.

We struggled through Biology
trying to learn every little bit.
But it was definitely Phys-Ed class
that kept us physically fit.

This year in gym class there was a new teacher
to the guys another new flame.
She started out as Miss Hessell
but in the end, Terwilliger was her name.

Our football team continued its streak
with another 10-0 year.
But it was all the sports that earned the trophy
and made us proud to go here.

When you're a Sophomore where can you go?
we decided to gather at the park.
But many parents kept on insisting
that we were having Roman Orgies after dark.

J.C.O.W.A. studied World Affairs
cheers were learned in Block "T."
Clubs became the big thing now
and our athletes joined varsity.

We entered Block "T" all spirit minded
to all the games we went.
Cheering, singing and goofing off
was how our evenings were spent.

A new club was started
it went by the name of O.I.
It was the first Co-ed club in Ohio
so it was respected very high.

Our Sophomore year came to an end
much to our dismay.
The next year we'd be upperclassmen
we had two more years anyway.

JUNIORS

We started this year very eager
upperclassmen was what we were.
We could boss around the freshmen
to the Seniors we no longer said "sir."

During the summer we took Driver's Ed.
We were finally learning to drive!
With the teachers we had the Easterly's "come again"
We're lucky we're still alive.

When Friday night
came rolling around.
Up at the Lind Haus
was where we Juniors were found.

Three Juniors cheered on varsity
Jan, Carla, and Mary Jo by name.
Supporting our team and Junior class
by cheering at every game.

Our football team was just as good
but Xenia was the team to be lucky
By beating our football team, we'll blame it on
the falling rain that made the ground all mucky.

We started school all over
as the work loomed before us once more.
We decided to make our own books
and do the poetry we'd done before.

Mrs. Bosse taught our English
it was really a great class.
Until she brought in "Bird Woman"
then it was a struggle just to pass.

Our class's budget was quite a site
we knew it wasn't funny.
Some way we had to work
to get our class some money.

So out we went to sell programs
at every football game.
We knew the class's budget
would never be the same.

The musical was "Kiss Me Kate"
it was packed all three nights.
But the funniest part of the whole show
was Ed Brandt and Pitt in their tights.

The girls became J-Teens
as the guys joined Interact and Key Club with zest.
We wanted to be real active
and prove our class was the best.

We worked real hard to make our prom
it was the best in many ways.
Dan and Janet crowned Lisa and John
and completed "Around The World In 80 Days."

But before we went to the big dance
Linda had a cocktail party.
There must have been something in the punch
for we went to the dance all hearty.

In the Spring of '73
we had a thing called mini courses.
It lasted two of our sacred school days
and offered things from Yoga to Riding a horse.

May arrived and we looked towards summer,
school would be ending and we'd go our own ways.
It went much faster than we could imagine
as we watched the Seniors counting the days.

Another year had come and gone to
for some too slow – for some too fast.
But these past three years of all their fun
will be quite a story in our past.

SENIORS

Again we came back in '73
what a summer we just had.
But now down to work and meet old friends
it's our Senior year – be glad!

Our football season
wasn't as great.
But our guys tried awful hard
until quite unexpectedly, Piqua was our fate.

We selected seven of our Senior girls,
to reign at the homecoming game.
The queen was all a sparkle,
and Janet was her name.

Our sports season was pretty good
cause our guys tried their hardest.
With our Senior guys and great coaches
our teams will always go farthest.

On Friday nights – before the games
through town we Seniors would ride.
Hanging out of windows, and beating on the cars,
it was only victory chants we cried.

Election time came rolling around
as we needed someone to head our class.
It boiled down to just three people
then Head reigned at last.

We got back to our old ways and study habits
but everything was the same as before.
The teachers gave us loads of homework
and the classwork was a bore.

We took government from Mr. Fletcher
to learn all about our nation.
Then there was Mrs. Manning
who taught us international relations.

No longer did we head up North
as the need no longer could be
Instead we headed towards the South
and gathered at a place called "The She."

Slop day didn't go too well
so we picked another day.
With pony tails and the greaser look,
we started the Fifties Day.

We listened to old songs at lunch time,
While Mark and Larry did a dance.
Surely there wasn't hopes for Broadway,
cause we knew they hadn't a chance.

Smoking was a no-no
as we were always taught.
Terry, Diane, and Julie were the teachers
on "How Never to get Caught."

We had the chicken dinner,
it turned out to be a big success.
The people kept us busy
as our chicken supply grew less.

Streaking and mooning were the in things
a fact that everyone knows.
But Penny and Steve were the first to have
the nerve to rip off their clothes.

But neither one was fast enough
as Penny got picked up by the police.
And Steve was recognized immediately
well, they learned their lessons at least.

An incident occurred, out on the field
we learned it just by chance.
Our super Bliz got carried away
and had quite an accident in his pants.

One day during the winter
Mother nature did her thing.
Calling school off bacause of snow
and dissolving all hopes of spring.

Kismet was our last musical
and leads were Bev and Todd.
Anyone that didn't enjoy it
we'd have to consider quite odd.

Then on the last day of April
we had a mock convention.
We listened to the speakers with interest
but it was the balloons that kept our attention.

Everyone seemed to have a good time
for the Juniors' Prom went well.
With Kevin and Janet as King and Queen
"Disneyland" cast its spell.

Now is the time to bring to an end
our four years and a memorable story.
But we'll always remember T.H.S.
the fun, the work, and the glory.

We're so great
that never before
has there been a class like '74.
Seniors!

RETIRING

Miss Thelma Thompson

Miss Thelma Thomspon is retiring after twenty-nine years of service at Troy High School. Her teaching career began at Newcomerstown, Ohio, where she taught for ten years. Then the first fourteen years Miss Thompson was at Troy, she taught English and directed plays. For her next fifteen years at Troy, she became Dean of Girls which "is a very thankless job," said Miss Thompson, because she meets the girls for disciplinary reasons. But Miss Thompson has had rewarding experiences with the girls at Troy High because since 1967 she has been the advisor for the Astra Club (a girls' service club at the high school.)

After her retirement Miss Thompson plans to continue working voluntarily at Stouder, where she is a receptionist and an escort. She does have the dream of traveling around the world and we hope she has many years ahead of her to do just that.

Miss Thelma Birt

Miss Thelma Birt has taught in the Troy School system for twenty-six years and has been the head of the Home Economics Department for the past fifteen years. She began teaching home economics in Rockford, Ohio, where she taught for one year. She then taught for two years in Ansonia, Ohio, and for seven years in Fremont, Ohio, before moving to Troy.

During Miss Birt's years at Troy, she has organized the club of Future Homemakers of America, and she has kept up to date with home economics by attending summer workshops at the University of Dayton and Bowling Green University. These clinics have gone into areas of: nutrition, consumer economics, clothing, child development, housing, and family living.

After retiring, Miss Birt hopes to take it easy and regain better health. She is hoping for a part-time job related to the field of home economics.

Mr. Frank Prouty

After completing forty years in the English Department at Troy High School, Mr. Frank Prouty will be retiring. He began his teaching career at Wauseon Swanton, where he taught for four years. Then in 1933 he moved to Troy from his hometown of West Unity.

For the last fifteen years Mr. Prouty has been head of the English Department. He has also led and begun many school activities; two examples are: the Debate Club and the Chess Club. You might say Mr. Prouty has touched upon every area in school except sports. When asked if his job has been worthwhile and self-satisfying, he commented, "Yes, it's been very rewarding . . . the associations and friendships, what I've learned as well as what I've taught."

Besides leading an active teaching career, he has been prominent in other activities. For the past eight years, Mr. Prouty has been a member of the Troy City Council and is presently the President of the Council. He served twenty years on the Library Board. He also holds the office of secretary of the Rotary Club and has been very active in the church.

After retiring Mr. Prouty hopes to continue his city government work in Troy. He has plenty of hobbies to keep him busy; some are: reading, listening to classical music, working jigsaw and crossword puzzles and teasing Priscilla.

IN GRATITUDE

HOMER E. ENGLISH

We would like to express our sincerest thanks to Mr. Homer English. For the past 43 years he has given his time and energy to serving the students of Troy High School, often working above and beyond the call of duty. He has been a great help to the Annual Staffs each year and a good friend to anyone he met. So we'd like to say "Thank you, Mr. English, and we hope you'll enjoy your retirement."

In Ohio we found the place, people, and opportunity to explore and develop an idea. Inventing, designing and manufacturing machines, equipment and systems for the vast Food Industry and Appliances for the Home is our business . . . wherever food is prepared, served or sold. And we're still growing . . . right along with the vast food and appliance industries. Still expanding in six Ohio plant cities as well as around the world. At the moment, Hobart has 34 plants around the world, 12 of them outside the U.S.A. . . . with sales and service in over 100 countries. Hobart is one of the top 500 industries in America. Whether eating out or at home, Hobart and KitchenAid products enter into our daily lives, worldwide. These products are all directly related to food . . . in processing, preparation and marketing of food . . . and then the efficient and sanitary methods of disposing of food waste, compacting of trash and tableware cleanup, referred to as "doing the dishes" automatically.
